New
destination
playground!

Vast and visionary

A “Flintstones-esque adventure oasis”, this epic playground has endless options for active, imaginative, sensory, social and inclusive play.

The Meadows - Central Park Playground | Nelson NZ

Tasman District Council

*Compact
design, full
of activities*

Everyone's a winner

An under-5s playground where the design compliments the aesthetics of the surrounding café in the hub of a new residential development. It's the perfect recipe for adult relaxation, with children immersed in a happy, healthy world of climbing, swinging, sliding and role play.

Fit for anything

Outdoor workout, ninja challenge, plus slides, swings and 'flying saucer': this new playground is a multi-purpose, multi-generational treasure!

*Fitness
& fun,
all in one*

Mountains of fun

A true community collaboration, Little River's revitalised 'woodland' play space features big thrills, inclusive attractions and sensory experiences – all with the backdrop of the town's magnificent mountains.

Choices
inspired by
input from 200+
community
members!

*Huge,
hand-play
chimes for
sound &
vibration*

Striking the right tune

As part of a bigger revamp, Bathgate Park has more for everyone, with impressive Emperor Chimes, a customised junior fort and a carousel that welcomes people, prams and wheelchairs for shared spins!

A dream come true

Part of a major project to upgrade adjoining parks, this dream destination playground is the community's pride and joy – boasting everything from a 6-metre lighthouse tower and turbo fitness challenge to toddler 'milk-tanker' tunnel and inclusive swings.

Inspiring
fitness,
confidence &
imagination

Made to
include
and endure

Open for busy-ness

With an abundance of options to keep everyone busy, this revitalised playground has accessible pathways and vandal-resistant materials for enduring benefit.

*A first
for WA*

Best of both worlds

This new estate's trailblazing playground features the PlayAlive Infinity: combining outdoor sports and video games for a sensory experience that adapts to all ages and abilities.

Cabeleigh Playground | Helensville, Auckland NZ

Urban Solutions

Wobbly
wood
playground

Naturally inviting

Brimming with tactile timber, we helped Urban Solutions create a space alive with climbing and balancing adventures – plus a rain wheel, pendulum swing and inclusive spinning bucket for all-round fun.

Tailor made
fitness
trail

Fit for fun (and learning)

A major school upgrade sparked the need for a modern, fitness-focused play experience for future leaders in the form of a challenge-rich obstacle course featuring eight activity stations made from eco-friendly materials.

Multi-age
play system
for 30+
users!

A star is born

The star attraction of the Kirwee Reserve upgrade, this fantastic new space features an activity-packed play system and bespoke 'moon module' for toddlers – plus a choice of swings, seesaw and spinning carousel.

Carving out a unique space

We proudly designed and crafted a space that's awash with earthy colours and textures, all-ages adventures, and hand-carved marine motifs to embrace this iconic seaside location.

Beautiful

A hive of activity

Bright, compact and oozing with play value for neighbourhood kids, the Beehive Activity Hex Tower 104 was the perfect solution for a playground with a small footprint in a residential development.

Western Foreshore Play Space | Mandurah, WA AU

City of Mandurah

\$\$\$

Mini &
maxi
climbing
towers

Flocking to the foreshore

Part of a huge new western foreshore playground, our equipment connects seamlessly and provides 'snake swing' fun, a Mini Birds Nest plus a 6-metre-high Eagles Lair.

Crossed
feature
panels

A kaleidoscope to explore

At the centre of a fast-growing region, families of all ages and stages love this playground's captivating colours, multitude of multi-level activities, and sensory sound experiences.

Adventure
rope course
with multiple
challenges
for all-ages!

Winds of change

Wood meets whimsy in this quirky new playground and social space – with everything from treehouse adventures to bespoke (namesake-inspired) windmill poles, surrounded by BBQ, table settings and park seating by Urban Effects.

*Complete
furniture &
play package,
easy!*

Forest of fun

From its tallest tower to the toddler-sized slide, this crowd favourite is a wonderland of wobbly wood adventures for all.

Action-packed tower trail!

A fruitful project

Eye-catching and unique, this playground exudes its 'market garden' theme, with green wheelchair trampoline, 'fruit' braille signs and giant asparagus-shaped monkey bar poles.

Mandalay Reserve | Beveridge, VIC AU

Urban Edge Landscape Architects | Stocklands

\$\$\$ | 

Room to grow

A clear vision guided the creation of this truly family-friendly play space where toddlers to primary schoolers play side by side on linked, multi-faceted play structures that cater for their development across the years.

Seriously
smart
design

The Village Green Park | Burwood East, VIC AU

Whitehorse City Council | MDG Landscape Architects

\$\$\$ | 

Bespoke
& brilliant

Layer upon layer of enjoyment

Paying homage to the former nearby brickworks, this innovative play space in an urban residential development boasts a custom-built brick tower fitted with a giant custom tube slide, mirrored play panel and an array of equipment in striking, complementary materials and finishes.

Super-sized slide

A whimsical wonder

This boredom-busting parkland play space is bursting with play options to ignite the imagination and thrill the senses of children of all ages and abilities, with a quirky Octagonal tower, gigantic slide, Ema 'climbing tree' and flying fox.

A flyaway success

Complete with flying fox, play ship (with a hand-carved local nod), climbing carousel, bongo drums, sensory sand play and much more, local children are “absolutely rapt” with their new playground.

Our design *process*: collaborate to create

Unlock the purpose and potential of your school or community play space with our playground **design + build** specialists

Discover

Who the play space is for

- Who will use the play space?
- What are their ages, abilities and backgrounds?
- What matters to them?

Design

The play space solution

- Develop design concept, applying **The Great 8 Principles of Best Practice Playgrounds** (and with our safety certification expertise at the fore).
- Select and tailor play equipment.
- Seek feedback and finalise detailed design.

Explore

Play possibilities

- Are there specific play needs?
- What do they love / don't love about other playgrounds?
- What inspires them to play and be active?

Deliver

Where play comes to life

- Manufacture play equipment.
- Site preparation.
- Install equipment and complete safety certification via our own accredited specialists.

Download the guide

Scan the QR code or visit our website to access our user-centred design guide.

Sustainability

It's close to our hearts, and yours

Our passion at Playground Centre is creating play and recreation spaces that generations of children, their families and whole communities can enjoy.

10

reasons to *love* our sustainable play spaces!

- 1 A stronger **connection** to the **environment**
- 2 Play with targeted **health & wellbeing** benefits
- 3 The highest standards of **quality** and **safety**
- 4 **Sustainably** grown timber
- 5 **100% recyclable** materials like aluminium
- 6 Materials made from **recycled products**
- 7 **Climate resilient** surfaces like UV resistant plastics
- 8 Hi-tech **anti-bacterial** surfaces
- 9 **Durable** and low maintenance
- 10 **Locally made** = local jobs
