

The mandatory safety zone is fully compliant to the safety standards. We recommend a bigger safety area is used to cater for the high volume of users that typically have fun on these products!

Technical Information	
Space Required	Ø10000mm
Total Area	79m ²
Max FHO	2000mm
Compliant	NZS 5828:2015 AS 4685:2017 EN 1176:2008

Approved: GN
